

HP's 2009 Trade-in & Save Program

will help you save up to 25% on your next printer purchase. Receive a rebate by mail when you purchase a new HP printer; process an on-line rebate claim; and, recycle an old desktop printer – any brand in any condition. HP even pays for the shipping to recycle your printer.

For more program information, go to:
www.hp.com/go/tradeandsave

Note: New rebate amounts were announced 7/1/09.
